During this Introduction to Person-Centered Thinking training you will develop conversation, planning and problem solving skills that create a forum for a person to discover what a desirable future and life look like for them. To learn more about PCT at Tri-counties Regional Center visit tri-counties.org

Cost is \$35.00 to attend (persons and families we serve are exempt).

Contact Tina Calderaro-Mendoza to learn more about the Introduction to Person Centered Thinking trainings tinac@tri-counties.org / 805.823.2304
