PCT Task Force meetings: These are open to interested persons who wish to further their learning and practice in the area of Person Centered Thinking. *The purpose of the Task Force is to provide system leadership that builds relationships; shares Person Centered ideas, practical applications and teaching; and includes those who receive services; their families, providers and the broader community.* They are held at the following Tri-Counties Regional Center offices; Santa Barbara in the Annex Conference room, Oxnard in the upstairs Cabo Conference room, San Luis Obispo large conference room. We use video conference to connect with all locations. **2013 schedule of meeting dates are currently being revised more information to come in May 2013**
