

Let's Work Together!

EMPLOYMENT COLLABORATIVES & TASK FORCE 2017 Schedule

You are invited to participate in Employment Collaboratives. These are an opportunity to share information about new employment-related laws, share success stories, and address barriers to employment and transition to adulthood in local communities. Employment Collaboratives take place regularly in each County. You are also invited to participate in the Employment Task Force. This is an opportunity to share updates from each community and promote employment success throughout the Tri-Counties Region.
