During this Introduction to Person-Centered Thinking training you will develop conversation, planning and problem solving skills that create a forum for a person to discover what a desirable future and life look like for them. To learn more about PCT at Tri-counties Regional Center visit [tri-counties.org](http://tri-counties.org)

Cost is \$35.00 to attend (persons and families we serve are exempt). Registration opens 30 days prior to the event date.
