

PUBLIC NOTICE

The law allows for the State Council on Developmental Disabilities (SCDD or the Council) to review the boundaries of its 13 regional offices throughout California. At its March 2016 meeting, the Council decided to review the boundaries of its Central Coast Regional Office (covering Ventura, Santa Barbara and San Luis Obispo Counties) and its Silicon Valley/Monterey Bay Regional Office (covering Monterey, San Benito, Santa Clara and Santa Cruz Counties) to consider combining these geographic areas to be covered by one regional office instead of two.

This Public Notice is to invite members of the Regional Advisory Committees from both regional offices, persons with intellectual/developmental disabilities, family members, service providers, advocates and other interested parties to public hearings about the geographic boundaries of these regional offices.
